

Welcome to the School of Alberta Ballet

Welcome and thank you for choosing to train at Alberta Ballet's official training centre in Edmonton, Alberta. We look forward to working with you and/or your children this year.

Open Division Overview

The School of Alberta Ballet's Open Division Edmonton encompasses our Preschool, Adult and Intensive training programs. The Open Division has programming year round for students of all ages and levels and does not require an audition.

Preschool Program

Preschool ballet is the perfect introduction for children ages 3-5 with no prior dance experience. Classes are tailored to encourage fun, creativity and a love of dance through movement to music. Students will begin to learn the basic posture and turn out required for ballet as well as coordination, flexibility and musicality. A pianist accompanies all Preschool Ballet classes.

Intensive Training Program

The School of Alberta Ballet's Intensive Training program offers classes for students ages 6 and up who want to train on a more serious level. The program is designed to prepare students to one day audition for the School of Alberta Ballet's Professional Division or to pursue other high level training. Students take ballet, pointe with optional character, jazz and contemporary classes. Intensive Training levels include preparation for Cecchetti Ballet Examinations.

Adult Program

Our Adult Classes are for adults ages 18 and up. There are currently 2 levels: Adult 1 is for those with no prior ballet experience, and Adult 2 is for those who have completed level 1 or equivalent.

Ballet Workshop

Ballet Workshop is for students in levels IT 8 and up. All students enrolled in levels IT 8 and up (full program) will broaden their training with classes focused on stagecraft. Repertoire, history of the ballet and stage makeup will be taught within the class time.

Jazz Ensemble

Jazz Ensemble is for students in levels IT 7 and up. The Jazz Ensemble is a new initiative to bring together the dancers from IT 7 and up with a central focus to create and develop original jazz choreography. New compositions will explore different genres of jazz.

Summer Dance Intensive

The School of Alberta Ballet – Edmonton Studios offers a 2-week Summer Dance Intensive for students ages 7 and up wishing to pursue further dance training during the summer. No audition is necessary. Classes are from 9 am to 4 pm daily from Monday to Friday, and students participate in a variety of classes including a daily ballet class, pointe or pre-pointe, jazz, workshop, conditioning, and other classes. Every year we host guest faculty.

School of Alberta Ballet Student and Family Benefits

Alberta Ballet is pleased to offer a 20% discount on adult subscriptions and single ticket sales to all students and parents in the School of Alberta Ballet Open Division (Edmonton and Calgary Studios).

This offer is valid in sections B and C for any production within the current Alberta Ballet Season in both Calgary and Edmonton (excluding *The Nutcracker* in either city).

An annual season promotion code that can be used online or through the Box Office will be given to all students at the start of the season. Please note this is for families in the Fall/Winter session only.

Parent Portal and Bi-Weekly Updates

The Edmonton Studios Bi-Weekly update will be sent to parent by email every second week during the Fall and Winter sessions. All Bi-Weekly updates and any other documents, such as Performance Commitment Letters and Rehearsal Schedules, will also be posted on the School of Alberta Ballet's website in the Parent Portal. Registered students' families will receive a username and password for the Parent Portal in the annual Welcome Package issued before the beginning of the Fall season. Please make sure to read the updates carefully to become aware of upcoming schedules and events.

Performances

All students at our Edmonton Studios, excluding those enrolled in the Adult Ballet program, participate in the Year End Performances in June. All related rehearsals are mandatory for students in the Open Division. Students missing one of the scheduled rehearsals may be withdrawn from the performance. If, for any reason, students miss the dress rehearsals, they will not be allowed to perform under any circumstances. Performance experience is an essential component of ballet training.

Uniform Requirements

All students are required to wear the uniform of the School of Alberta Ballet. A guideline of specific style and colour of leotard for each level and program will be sent to you well in advance of the start of the term. This uniform must be worn to classes and no other attire will be accepted. Students can purchase their uniform and tights from their local dancewear supplier.

For all classes, hair must be secured in a neat classical bun using hairspray, hairnets and pins. There should be no bangs or accessories (headbands, scrunchies and/or clips). For jazz or modern, a high, slicked back ponytail is acceptable.

Security

Students remain the responsibility of their parents before and after class. We ask that parents please pick up their children on time following their classes. Children under the age of 12 may not be left unattended for any reason, even within the building, except the changing rooms. Student washrooms are located in the change rooms. The public washrooms in the main lobby are not to be used for changing before or after class. Parents are not permitted in the studio hallways or outside studio doors and should wait for their children in the main lobby

Hygiene

Open Division students dance many hours each week and are in close contact with other students and teachers. Keeping the highest level of hygiene is extremely important. Appropriate hygiene includes being clean each day, wearing deodorant and having both a clean leotard and clean tights each day. Perfumes, body sprays or other applied fragrances are not permitted at the school. Students who arrive for class without the appropriate degree of hygiene will be asked to leave and may return once the specific problem has been resolved.

Lost & Found

Items that are left in the studios, washrooms or other areas will be placed in Lost & Found at the end of the day. We encourage students to be responsible for their own belongings and ask that parents speak with their children about the importance of keeping valuables at home, or under extreme circumstances, they should be brought with students to class. The school will not be held responsible for the loss of any personal effects or valuables. Parents must mark all of the student's clothing, uniforms, ballet shoes etc. with the students' names on the inside. All unclaimed Lost & Found items will be removed at the end of each month and donated to charity.

Class Viewing

Parents will be invited to observe class during one week of the Fall term in order to view the work and progress their dancer has been making. Viewing at other times is not permitted. Parents or other guests should wait in the main lobby until their dancer is dismissed from class.

Absences

Ballet training must be consistent to be effective. Our curriculum is designed to allow each student to progress through the succession of classes into increasingly more complex levels of dance. Irregular attendance defeats this objective and may result in poor performance by a student and may affect their ability to participate in ballet exams as well as performances. Class attendance sheets are kept at the office. In the case of illnesses or absences, please report all occurrences to the school at edmontonstudios@albertaballet.com.

Students who do miss classes, however, are able to make up missed classes within the registration period with the approval of the Head of Open Division. Please check with teachers for availability of classes. Refunds are not issued for missed classes.

Assignment of Class Levels, Exams and Pointe Work

The Head of the Open Division, in collaboration with the faculty, makes all decisions in the placement of students, recommendations regarding exams, and the appropriate time for beginning pointe work. From time to time, students may be moved to different classes when, in the school's judgment, the student's training would be improved by such a change. Advancement in the school is not automatic; each student's development as a dancer is individually assessed and tailored to accommodate different stages of physical development, coordination, ability to assimilate instruction, and degree of motivation. Ongoing assessments serve both to ensure that the quality in the Open Division increases as well as motivates current students to the best of their potential.

Parking & Transportation

Public parking for the Ruth Carse Centre for Dance is directly behind the building in the South parking lot. Street front parking is also available as well as residential parking. Please obey all City of Edmonton signs and by-laws regarding parking in the neighbourhood.

Grant applications or Audition DVDS

Students and families wishing to apply for a grant or scholarship to attend the Professional Division or other training program must provide the School a minimum of one month's notice for letters of reference or other assistance. This may include DVD recording or other necessary materials. Choreography or space rental fees for any recording may apply as well as additional coaching fees. Please discuss details with the Head of Open Division, Edmonton before applying.

Tuition

Tuition is due in full at the time of registration. However, in an attempt to make tuition payments more convenient for families, School of Alberta Ballet parents or students may be eligible to arrange other payment methods with the school. These payment methods are available only to families whose accounts are in good standing and who do not have a history of arrears. Tuition arrears from previous years or terms are payable before registration is permitted for the following year or before student can continue in the second term.

No portion of the fees, paid or outstanding, will be refunded or cancelled in the event of a student's absence from the School of Alberta Ballet.

Parents must also make sure that they are on time to pick up their children. Parents are asked to have their children to wait inside the building for their own safety.

The School is to remain a safe, welcoming, and respectful place for everyone. Disrespectful or abusive behaviour by either a student or his/her parent(s) may result in the dismissal of the student from the school. When possible, the written complaint should be submitted within one week of the incident.
